Dear Bob:

Please accept our sincere thanks for your generous Memorial donation of \$50 on April 23, 2010 in memory of John Sugrue Jr. Please be assured that this donation will go towards Duchenne Muscular Dystrophy research. Your support is of great importance as we forge ahead in the Association's battle against neuromuscular diseases.

Your support advances work in MDA's research and will maintain the Association's hospital-affiliated clinics in Illinois and the Chicagoland area for diagnostic and follow-up care. MDA clinic services include physical, occupational, and respiratory therapy evaluations; flu vaccination; and assistance with the purchase and repair of leg braces and wheelchairs. In addition, MDA facilitated support groups hold regular sessions, and youngsters with neuromuscular diseases are able to spend a fun-filled week at MDA Summer Camp—all thanks to your help.

Thank you again for your support of the Association's life-changing programs.

Sincerely,

Britt Johnson
Administrative Assistant
